

A vibrant illustration of a wombat in a natural landscape. The wombat, with brown and white stripes, is wearing an orange skirt with black and yellow dots and carrying a large green rolled-up mat on its back. It is holding a brown hat in its left hand and reaching up with its right hand towards a bright sun. The background features a large tree on the left, a smaller tree on the right, and a body of water in the distance. The sky is a mix of orange, pink, and yellow with a pattern of small white dots. The ground is brown with some green grass and a winding path.
